Domain and Theme

Enhance Laundry Experience in Dormitory

I walk front and back just to check the availability of the washing machine

Previous user haven't take the clothes back

Value Proposition

Laundry Savior

Chores made easy!

Problems/Solution

Problems

Washing machine always occupied in the dormitory. Some user may be late to collect their laundry.

Solution

We provide a dashboard to check availability of the washing machine, and remind users to collect laundry immediately.

3 Tasks

Tasks

Simple

Check washing
machine status

Moderate

Use E payment

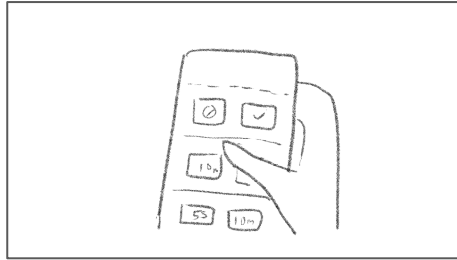

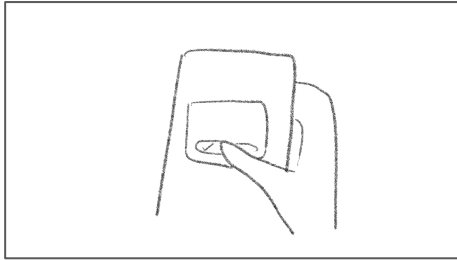

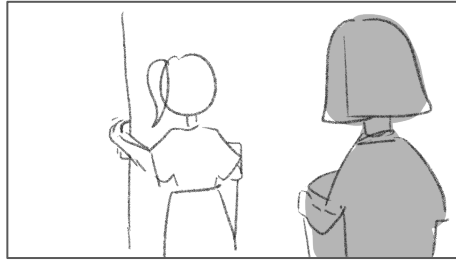

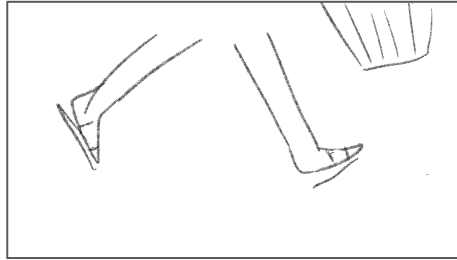

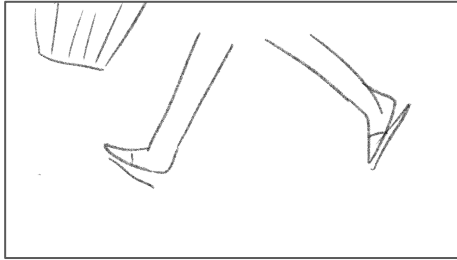

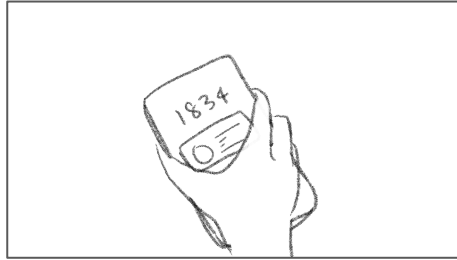

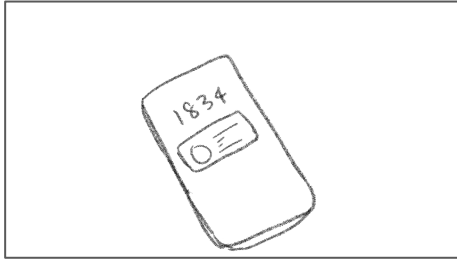

Hard

Collect laundry
when ready
